Dear Mark,

The Records Committee of the Bowhunting Records of Utah is pleased to announce that they will be holding a Utah Bowhunting Records Presentation in conjunction with the Utah Bowmen's Association Banquet on January 31, 2009 in the Grande Ballroom on the Utah Valley University campus. We are pleased to inform you that your non-typical mule deer, scoring 197 4/8, will receive the 1st Place Award for non-typical hard-antlered mule deer. We invite you to attend the banquet to receive the award for your trophy. We have enclosed an order form for tickets and would ask that you advise us by January 26th regarding how many tickets you would like so that we can reserve tickets for you.

We will also have a display of trophies in the banquet area. We invite you to bring your trophy to display during the banquet. There is tremendous interest among the bowhunters of Utah to have the opportunity to see these great trophies in person. More trophies on display helps make the event more interesting for everyone, so we ask you to seriously consider bringing your trophy for display. If you could advise us as soon as possible if you would like to display your trophy, it will help us assure adequate facilities to display everyone's trophy. We will begin accepting trophies at 3:00 p.m. in the Grande Ballroom.

During the Awards Presentation we would like to project a photo of you and your animal. If you have a digital photo, you can email the photo to me at dbnielsen1@gmail.com or if you only have a photograph, please send a copy to me and I can scan it. We would also like a short summary of some interesting facts about your hunt that will be read during the Awards Presentation.

The doors will open at 5:30 pm and the banquet will begin at 6:30 p.m. in the Grande Ballroom. Included with the dinner ticket are one ticket for door prize drawings and five tickets for raffle drawings. There will be a live auction and a silent auction as well as numerous raffles.

We are also very excited to announce that the 3rd Edition of Bowhunting Records of Utah will be unveiled and available at the banquet. This is going to be a beautiful book and a wonderful keepsake to go along with your bowhunting memories.

We are looking forward to a great evening and your attendance is especially important to us as we recognize the best bowhunting trophies taken in our great state of Utah. Please plan to attend if at all possible.
